A grand and spacious design your family will love. The Clevedon is a grand light filled four bedroom home that will appeal to the entire family.

The ability to entertain in the large open plan living area that seamlessly integrates with the outdoor room downstairs and with the separate rumpus room upstairs is just the start of this opulent family home. With three bedrooms on the up-stairs and a convenient guest bedroom downstairs - there are many reasons why the Clevedon is one of our most popular homes.
