Cavalier Homes build beautiful, functional new homes New Zealand wide, designed specifically for local conditions and the great Kiwi lifestyles.

So whether you are looking to design and build your new home from scratch, use or amend one of Cavalier Homes standard plans, subdivide your property, or find that ideal house and land package, Cavalier Homes will deliver a high quality solution to meet your budget and dream.

For those looking to build a new home, Cavalier Homes will take all the stress out of the process, and our builders and designers are the best in the industry.

LIVING 223.02m<sup>2</sup> GARAGE 50.98m<sup>2</sup>

TOTAL = 294.51m<sup>2</sup>
